SEEKING FULL-TIME EMPLOYMENT IN WEB DEVELOPMENT INDUSTRY

Highly motivated, with extensive experience working remotely with clients of various levels with English, Ukrainian and Russian language skills is seeking an opportunity to work in a team-oriented web development company.

Five years of experience working with WordPress (as a content manager and webmaster) on small projects, excellent knowledge of HTML and CSS, familiarity with JavaScript and PHP coupled with a proven ability and passion for quickly learning new technologies ensure a quick result.

Experience

Aug 2020 – Present

Zernina | Web Development

Customer Service Specialist

- Troubleshoot minor bugs on the website using HTML and CSS.
- Customer satisfaction and technical support with problems related to personal accounts, orders, and the operation of the website.
- Assist customers with completing purchases and solving related issues.

Jan 2021 – Apr 2021 (4 mos)

EcoWorld | Desiccation in homes and businesses

Web Master

- Redesign a piece of the site (the russian version) from client layouts.
- Built website pages with WordPress using the Gutenberg tool (WordPress Design).
- Migrated part of the website from the previous version and fixed bugs.
- Organized a group of professionals to work on the project (a copywriter, developer, and optimizer).

Oct 2020 – Dec 2020 (3 mos)

Vizy.in.ua | Visa Support and Employment

Web Master

- Using the wireframe prototype tool, I created a website, using Bootstrap and custom CSS.
- I created a website with the help of a more experienced developer.
- Prepared a program for the network's resource development and marketing.
- Organized a group of professionals to work on the project (a copywriter, developer, and optimizer).

Jan 1, 2016 – Jan 1, 2019 (3 yrs 1 mo)

PITT | Technology Solutions studio

Editor in Chief

- Managed various projects for small businesses, including website prototyping, copywriting, and translation.
- Coordination work of professionals (developers, copywriters, designers, and SMM and Search Engine Optimization (SEO) specialists).
- Evaluated project quality and provided customer support.
- *My first meeting with WordPress was here;*

Jan 1, 2007 – Jan 1, 2015 (8 yrs 1 mo)

Freelance (Self-employed)

Freelance Writer

- Over 1000 projects have been completed, and over 127 clients have been pleased.
- In 2015, I was ranked as the top copywriter on the Ukrainian freelancing exchange.
- Experienced in operating both on freelance exchanges and individually.

Language

English
Ukrainian
Russian
